

*Brightening The Future One Child at a Time*

## WHAT'S HAPPENING AT ECEF?

ECEF is introducing the E.P.I.C. Preschool program (Educational Preparation with an Individualized Curriculum). The Program will run Monday – Friday. Academics will focus around hands on learning and will run from 9:00am – 3:00pm. The program is built for children 3 – 5 who are toilet trained.

Breakfast, lunch, and snacks will be provided daily along with physical activities in the morning and afternoon. A rest time will be provided after lunch. The teacher to student ratio will never exceed 1:12. Students will be evaluated monthly and parents will be provided with assessments.

This is an exciting time for The Ely Chapman Education Foundation. We want to thank the community for all of their support!

## ANNOUNCEMENTS

Thank you to Louis Holmes for sponsoring the “Adventures in Reading Corner” for the E.P.I.C Preschool.

We want to warmly welcome our new Administrative Assistant Samantha Wells to the Ely Chapman Family.

Our partnership with the Marietta College Physician’s Assistant Program and Family Tree Dental is final. ECEF is very excited about this opportunity.

Whirl Frozen Yogurt key tag sale is under way, So buy up before it is too late! 15% off all purchases!

We have revamped our website! Go check it out [www.elychapmanedu.org](http://www.elychapmanedu.org)!
