This is for the safety of your camper. **Less than one week notice of change in schedule may result in a charge for that week due to staffing.**

ADDITIONAL FORMS will be required once Registration is paid.

I understand that I am signing up for the above listed weeks and that if this schedule changes I must give the camp at least one (1) week notice once camp starts or I may be responsible for the weeks indicated. Failure to give one week notice of changes may result in no services because some weeks fill up extremely quickly. Please notify Camp of schedule changes as soon as possible.
