

Tee Up for Kids Golf Scramble

May 21, 2022

**Lakeside Golf Course, Beverly,
Ohio.**

Dear Friend,

The Ely Chapman Education Foundation is sponsoring a Tee Up for Kids Golf Scramble on Saturday, **May 21, 2022** at the Lakeside Golf Course, Beverly, Ohio.

Our objective is to raise money that will provide support for the Sunshine Learning Station Afterschool program, the 10-week Sensational Summer Camp Program, and scholarship assistance for underserved children. During 2021, these two programs served over 200 young people from Washington County, Ohio and Wood County, West Virginia.

These programs offer exceptional opportunities for our area's youth to receive the necessary academic and wellness/emotional support so desperately needed at this time.

Your support will provide much-needed assistance to underserved students throughout the 2022-2023 school year and will allow students to experience programming that will help them become more resilient and prepared for the future.

Our area's young people are facing unprecedented challenges today and need our support more than ever. Please choose from the options listed below.
